“Today’s decisions may affect tomorrow’s members. It’s not hard to consider the needs of our group, our area, our region, or even the worldwide fellowship. But it’s also important to remember the “UNSEEN MEMEBERS” in our discussions – the members yet to come. When we work to ensure the vitality of NA, we’re not working just for ourselves but for those yet to join us.” It Works How and Why, Pg. 119
