God grant us the knowledge that we may work according to your divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this truly be your work, not ours: and that no addict anywhere need die from the horrors of addiction

Reports:

Recorder Report – read and accepted

Treasurer Report – Bank balance is 1753.85. We are still under prudent reserve. The problem with the treasurer computer is a cable. Will get prices on the cable and bring it back to area. Will get with Judy to help me with QuickBooks. Group totals are done manually at this point.

****TBRNA donation should be \$0 for new year.**

RCM 1/ RM 2 – Need to set a date and place for CAR workshop. Would like GSRs to take back TSC to home groups. Also take back to groups the CAT and CAR tally sheets and please return to Area completed by April 20, so workshop needs to be done before then. Bill suggests that Dawn also cover info on the US service system. \$48.38 returned to CBANA from RSC trip.

H&I – all commitments are being met and attendance is acceptable at this time. All monies from t-shirts have been turned in and we are now preparing for our part of the workshop on Guide to Local Service. We will continue to take 7 meetings to four facilities.

Phone Line – open

Activities – absent

PI – Would like an extension of ½ of the PI budget (\$100) to be able to serve in that capacity this month. Was unable to do any mailings last month due to not asking for monies. Would like to do all the February mailouts and ½ of the January mail outs this month. Asked in e-mail for a list of local radio and television stations with names and numbers. Also seeking out information on when and where the local school boards meet. Would like to at least place schedules with the school counselors. Asking for reimbursement of \$36.86 for copy paper and DVDs for archives.

**** Amount approved by GSRs is \$36.86 and ½ of whatever is left of budget after reimbursement.**

Literature – Everything going smoothly. NAWS is allowing us to order via e-mail making the process even easier. Kari will be carrying a care package to buffer the needs in between ASCs. This is not for you to order all needs that should be taken care of at the ASC.

RBS – Replenished the stock of t-shirts and they will be of various styles and colors. Several attempts were made to contact raffle winners from last RBS to no avail. These items will be put back in this year. We have been approached by 2 jewelers wanting to sell merchandise at the event. This will be discussed at our next meeting. The sub floor is still at Bills house. PLEASE pick it up.

Some questions asked and clarification made that RBS is an Area event and that the Area has the right to ask questions. Bill explains that the rise in price of shirts is to offset the rising costs of other event necessities.

Outreach – Made trip to Last House on the Block on 2/1/12. Fuel cost to attend meeting was \$20. Receipt turned in. I am asking that the Outreach budget be advanced to chair person. I will

be giving a list of upcoming trips to ASC so that the body will know where the Outreach is headed. The next trip will be to the New Beeville group.

*****amount approved by GSRs is \$20.00 + ½ of outreach budget.**
