RCM2: OPEN

H & I:

Hello family,

We had our subcommittee. Everything is well. All facilities were present with report. We had a concern from Cenikor a addict on the panel used specifics with sexual trauma. Matter was addressed and handled. We had our quarterly event for the live of service on feb 13. It was successful! We made 1,091.00 75.00 went to rent. 112.00 for supplies. We made a deposit of 904.00 yesterday in bank account! We are asking area permission to order 3 boxes of basic text. 2 would go to satf 1 for men 1 for female. 1 would go to Cenikor. We also received donation of 14 basic text, 2 just for today, 7 it works how and why, 1 living clean. 2 step working guide. We voted to take basic text to Cenikor and the rest of the literature to satf to be distributed checked out by counselors to Clients. We also want to add into H&I orientation handbook. No sexual trauma specific. We did get our shirts in we still have slot to sale they are going to go for 10 a piece so we can get rid of them faster. Thank you to all who contributed to H&I!! You all are the real M V P.

Jessica J

Richard T. had a question about the 3 basic text cases (24 books to a case) requested from area. Jessica says 1 case will go to Centikor. Don B. asks who is over the SATF Men's side. Jessica says it is Herschel. Don comments we might want to look at that we do not have an NA member from the Coastal Bend. Food for thought. Matt R. asks what the requirements are to be on the panel. Roxy says you can sit on the panel without a background check, however it is 6 months continuous cleantime to speak on the panel. There is no limit to how many people can be logged into the zoom meeting. Jessica typed into the chat box the information we need to take back to the groups.

PHONE LINE:

There are currently 8 volunteers for the phone line. After the H&I event Presentation, 5 more volunteers asked to participate. They are currently going to be trained in a training session Laneya will have. Megan H had a question about the gaps in the schedule from last month. There can be as many people as we want scheduled for each time slot. The more the merrier so we can ensure there is never a call missed. Don mentioned an experience with a caller who really enjoyed talking to the female they were connected with previously, and how the women are helping must be getting through. Troy mentions a few features of the new app including meeting schedules and the Just For Today text to you as well.

-Laneya O.

ACTIVITES:

OPEN

PR/PI:

Paul has the new schedules updated and some printed, however, he is wanting to print them on the nice laser printer and is waiting to do so. The IP rack at the clubhouse now has a few of each IP in the rack. Paul will propose in new business a budget increase. He wants these smaller IP racks from NAWS and IPs from either NAWS or the Literature bank for groups and treatment centers. He also went over the outline for the Group Report form on CBANA. Troy reiterates that each GSR needs to let Paul know of continued changes for meeting times.

Paul S.

RECOVERY BY THE SEA COMMITTEE:

RBS is in need of a cleanup chairperson. Additionally he has been in contact with Tom K and we are working on some issues with the registration on CBANA for RBS. Stephen asked if our policy change had been completed yet for the Programming chair. The subcommittee meeting is the second Sunday of the month either at Tom's home or the Shot of Hope ID. It is a hybrid meeting. Matt R. looked on CBANA for the date of the event and he was not seeing it on the flier. The date is March 20th for the Volleyball tournament. Tom discussed the details of the tournament. We noted there are errors in the flier.

Tom M.

OUTREACH:

We did really well this past month going to support our smaller meetings. We had a really good turn out everytime we went. We went to Rock Group, Ingleside, George West and Victoria Group. Will attach gas receipts for reimbursement. Total of 24.64 because I forgot to get the very first one. I'm going to work on making a calendar with what days and meetings I want to go support so I can post it for more awareness and involvement. Thank you for letting me be of service!

-Tiffany V.

Tiffany will be requesting reimbursement from Area. Don mentions to remember when we go to visit groups outside of Corpus, to let them know that ASC is on Zoom and that all are encouraged to attend. Some of the groups outside of CC have had lower Area attendance.

Policy:

Summary of recent and current activities:

- February 2021: I reached out to Paul to request help with creating PDF forms for subcommittee & group reporting via cbana.org
- January 2021: current CBANA & RBS policy are available on cbana.org

Upcoming goals:

- Provide a hard copy (with index) of P&P for reference during ASC meeting
- Add hyperlinks for policy documents found on cbana.org.

Please keep in mind:

All ASC members are encouraged to become familiar with policy and procedure. It is suggested

that all GSRs and alternate GSRs keep their groups informed of ongoing policy review and make it available to their members.

ILS,

Megan H.

Tom mentions he will email the Program outline to policy once it is approved.

OLD BUSINESS:

Tiffany V was nominated for Outreach and qualified herself. Tiffany qualified herself. Megan H. read the requirements. Roxy asked if she has a concept of the Traditions. Aharon asked if she will come out to Beeville. Tiffany was voted into Outreach.

We realized we had not done roll call again and it began a discussion about voting in the new policy. Samantha had asked about officers having a vote as well as GSRs. Don outlined who is an officer with a voting voice and who gets to or not. We needed to establish a quorum.

Jessica J is requesting \$400 and \$75 for H&I but we will not use the \$75 if H&I does not find a park to host her event.

Jessica J brought up issues that are going on with CBANA with posts that are happening with members that come up periodically. This is why the CBANA page will not host Area business. Troy W clarified this and that it is a CBANA facebook page, not THE CBANA page. Though there are admins who try to keep the peace, we need to be mindful that we can only do the best we can. Don mentioned that other groups have an agreement when you join that you will participate in the group effectively. Paul S comments that the post approval sometimes takes too long or it might be too late. Jake M mentioned adding more admins. Stephen S mentions solutions RBS used, and says if we banned newcomers who are fresh off the streets or out of treatment from CBANA because they don't know how to share...it could keep them from having access to meetings and the information they need. We currently have 8 admins that needs to be updated. Post approval might be the best solution. Megan H asked if a member understands why their post might not be approved and the reasons why. Ed C shares some options for solutions and what he has been currently doing to help facilitate.

Bri M mentioned wanting to puts IPs

Don mentions that NWNA discussed in their group conscience about Facebook and its involvement with CBANA. The group feels we should either take ownership and responsibility of the CBANA page or we can let go of Facebook all together. Megan H asked if we know how other areas are doing things and what they are able to do about the same issues they have been experiencing as well. Troy suggests making Don an admin to help. Don says he will bow out if the other groups do not have a problem. Can we add subcommittee information on CBANA?

We took a vote for RBS Programming chairperson. Megan H had a question about adding if the individual would be willing and able to clean up. The vote passed at 3:57pm.

NEW BUSINESS:

Josette M. nominates Jerry for Activities chairperson. Jerry qualified herself. She was elected at 4:12pm as Activities chairperson.

PROPOSALS:

H&I proposed approval for funds for 3 cases of Basic Text Books (24books/case) around \$900. Passed.

Close meeting: 4:35 p.m.
