Service Prayer: God, grant us the knowledge that we may work according to your divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness that this truly be your work, not ours: and that no addict anywhere need die from the horrors of addiction.

I want to apologize for the incomplete report this month. I am once again having "technical difficulties" with my home computer.

Due to the fact that there was a lot discussed at area in March, I will type up those notes and bring them next month for approval. I will have all of my notes with me at area this month if there are any questions.

Thank you for your understanding and allowing me to continue to be of service.

Due to my absence a check was not written to CBRC for January's meeting rent. I paid \$40 cash (\$30.00 January and the \$10.00 will be applied toward this March's meeting rent, cash from February's revenue was used to pay February's rent.) The photocopier had issues and we had to have a service call performed which I paid myself \$123.50. For this I am asking reimbursement for \$163.50. Additionally it is time to pay Freedom Phone for service. I am asking for \$113.13 so the quarterly fee can be paid. The total amount to be issued is \$276.63.
