# Literature Bank Area Report

## March 2018

03/18/17

Good after noon family!!

For the most part, literature bank has been running smoothly. ☺ I am still learning, so please, be patient.

Prior to writing this report, we still have a decent stock of all books.

BASIC TEXT – 13, IT WORKS H&W – 11, JFT- 10, STEP WORKING GUIDE-15, LIVING CLEAN-10, GUIDING PRINCIPLES - 3 I will do a count of in stock pamphlets if the body requests. ☺

I did have a request for a special order medallion, so I went ahead and ordered 5 of each book, as well as key tags that we are low on. I have attached a copy of the order and am requesting a check.

RBS has asked if we would donate some special edition books for the raffle. I told them I have no problem with it, but, that it would have to be approved here at area.

Also, we still have all of the chips, and back packs that seem to be “stale stock”. I don’t know if we want to donate them to H&I, PI, RBS, a facility or just hold on to them. Any and all suggestions are welcome.

Literature bank balance at this time \$ 77.50

I am turning in \$ 466.75 for literature, key tags and medallions sold since last month’s area meeting

I am asking for check in the amount of \$399.50 for order #001270 that I recently placed with NAWS.

That will bring literature account balance to approximately \$ 144.75

As with most of us, being in recovery has given me a very blessed and BUSY life. Therefore, I have to set some boundaries. Every other Sunday or so, I am here at the Clubhouse opening for Conscious Group meeting. I will post on CBANA facebook page, with plenty of advance notice, when those days will be. If anyone needs literature or key tags before next area, THIS WILL BE THE TIME AND DAY TO GET IT. If, I am going to be here any other times, I will post those times and days as well.

Thank you for allowing me to be of service!!

To: Coastal Bend Area of Narcotics Anonymous  
2018

Date: March 18,

From: Don B. – ASC Service Inventory Ad-hoc Chair

Subject: Final report for the Service System Inventory Ad-hoc

An area inventory is used in much the same reason that the individual addict does a personal inventory: to stop, consider their actions, attitudes, and behaviors and finally rededicate themselves to the ideals of helping the group to service the addict in need. The area inventory is broken into 3 separate categories. First, How well has the area committee done at serving the groups, and how can it better serve them in the coming year? Second, How well has the area committee served the larger community, and how can the committee better serve the community-at-large? And last, How well has the area committee done at supporting NA regional and world services. The Coastal Bend Area scored lowest on the first category by their voting group members.

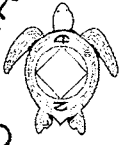

During the February ASC, members voted to concentrate on the 4 lowest scored questions from the results of the area inventory. A mini-workshop was performed and information was collected from the assigned groups. The questions were as follows:

- Question A.5 How fully does the area train & support members who serve on the area service committee?
- Question A.11 How well has the area fostered the willingness of the local fellowship to volunteer for service positions?
- Question A.12 How well has the area practice continuity and rotation?
- Question A.13 How well does the area function in maintaining a full complement of trusted servants, with no open commitments?

From the min-workshop a decision tree to promote further ideas was made from CBANA members. However, no other feedback was provided thru email, texts, or CBANA Facebook account. The following are suggestions accumulated by information gathered thru ad-hoc communications and from the mini-workshop concerning the above questions. The suggestions are intended to be simple solution based ideas to address all above questions. They are up for review and approval by this ASC.

1. Currently there is not a set format for training members into the responsibilities of the different areas of service at the ASC level. The following suggestions are to provide for training and support of those areas.
  - Formal training – hosting annual event for area service in which each service chair speaks about their individual position responsibilities, accomplishments, and personal God moments. Guide to local service may be tied into this event for interested members.
  - Informal training – CBANA pamphlet explaining roles, responsibilities, and requirements prior to position changes for interested members.
2. Adopting a “sponsorship” role in the different areas of area service to promote continuity and rotation within CBANA. Fostering an attitude that Area Service is my “other home group”.
  - Policy change to allow a transition period between when one service chair leaves that the incoming chair trains. Area may consider budgeting for ongoing training at other local NA events concerning that area of service.

## RCM 2 REPORT FOR MARCH 2018

Not much to report this month but here goes what I do have.

### Elections:

TBRNA Facilitator----- Pasty D.

TBRCNA Co-Facilitator----- Melodee W.

TBRCNA Treasurer----- Sarah H.

### TBRCNA:

From all reports TBRCNA 18 was a success most everything went well, a few minor problems but nothing to big. 630 people registered in total, 272 were preregistered and 358 more registered on site with 52 of those being newcomers.

With that being said TBRCNA 19 is well on it's way. All board members are in place and plans are being made. For those of you who may not know it TBRCNA 19 will be held here in Corpus at the Omni Hotel on February 22<sup>nd</sup>, 23<sup>rd</sup>, and 24<sup>th</sup> 2019. Please keep in mind that for this board to pull this off they are going to need a lot of help. So if you get a request for service by one of these committees please step up. "T" shirts and preregistration are now available through one of the committee members.

well as the PR chairs are requested to attend. one of the requirements for this position in CBANA is to attend this meeting. This area pays for the travel and lodging for this event and we know where and when it is well in advance there should be no reason not to attend. Anyone seeking these positions might want to take this into account.

One more thing before I get off my SOAPBOX. The RCM 1 and myself just attended the Regional Assembly this past weekend in Victoria. One of the requirements of the GSRs in this area is to attend this meeting. It is held annually and once again this area pays for us to attend when necessary. We know when and where well in advance so most of us should not have a problem attending. By the way not one GSR was there last weekend. Enough said, understand I am not trying to be judgemental just thought it needed to be said.

Thank you for allowing me to be of service

In loving service

Bill H.
