H & I Report:

We had orientation on June 7th, 2026, at 1:30 with two volunteers, followed by our subcommittee meeting at 2:15 with 10 committee members at 3307 Ayers. We had elections, and two panel leaders were elected: one female for Sunday Cenikor and one male for Friday Cenikor. The female side Friday Cenikor panel leader position is open. One panel leader was elected for the male side SATF in person, with the female side panel leader position open for SATF in person. Two panel leaders were elected for Shoreline Taft, one male and one female. A recorder was elected, and consensus was reached for all positions. Our next orientation will be on June 28th, 2026.

PR Report:

On May 20th PR went to Kleberg county and Jim Wells county jails and probation offices. Which is Kingsville and Alice, Texas, handing out information about the Coastal Bend Area of Narcotics Anonymous. QR codes, information pamphlets, meeting schedules, and a few paperback Basic Text books to the jails for the library.

On May 22nd PR went to Victoria county jail, probation office, 2 rehabs, CSL plasma and handed out information about the Coastal Bend area of Narcotics Anonymous. QR codes, information pamphlets, meeting schedules, and a few paperback Basic Text books to the jail for the library. As was requested by the VGONA.

As a result I received a call back from James Dorsett drug court coordinator out of Jim Wells county about our QR codes. Mr Dorsett then referred me to Ramsey Hernandez the deputy director of Jim Wells county CSCD to schedule a PR presentation. I called on June 9th @ 10 AM left my number and I'm waiting for a call back.

"2. Developing and distributing posters, flyers, and other public service announcements to inform the public of how to reach us.
5. Cooperate with a hospitals and institutions committee and overlapping projects." IP 15 PI and the NA member

I also attended Region and a question was asked,
How do we build our fellowship? Through PR
Our local rehab here in Corpus Christi was relocated to another facility. The rehab did not bring any of Narcotics Anonymous readings, posters, IP's, or IP racks to the new facility. In fact, after asking about "our" information "we" learned that it was simply disposed of.

With all this new information obtained after scouting institutions in our area. PRs continued projects to set racks with IPs, print stickers, print cards, print meeting schedules, schedule PR presentations in institutions and produce a public announcement on a bus bench to inform the public that we are here for any addict. PR has submitted an increased and a next quarter's budget to cover the cost of these projects.
