*God grant us the knowledge that we may work according to your divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this truly be your work, not ours: and that no addict anywhere need die from the horrors of addiction.*

**LITERATURE:** RBS-35 made a request asking people donate Basic Texts for new comers at the event. It was "suggested" that maybe Literature Chair have some readily available for purchase at the kick off meeting. So, I ordered 1 case of Basic Texts to sell at the Thursday night Kick off. It will be cash sales only. I DO have a question for this body. Our cost per book is \$12.15. We sell the books for \$12.00 each.

For the literature bank, this works as we sell multiple items and the fifteen cents is easily recouped. With shipping costs of \$34.99, the total for this case of books equals \$13.60 per book. If I sell the books at \$12.00 each, this will be total "loss" of \$38.40. I personally don't see that it will be that big of a deal, but I am not always the "clearest thinker". What does the body suggest?

(Jason P. suggested that the basket be passed around to cover the "loss". It worked, and then some!!)

Bank statement total \$1,155.80\*. I am depositing \$607.70, and requesting a check in the amount of \$944.50 for invoice #026500, 026984 & 027140. That will bring our actual balance to \$247.20.

\*does not reflect check for \$571.70. Actual= \$584.10. Balance= \$1191.70
